Dear Valued WM Customer,

We are writing to notify you of an upcoming collection schedule change for your recycling, food/yard waste and garbage services.

Effective the week of October 15th, your new GARBAGE collection day will be TUESDAY for all services—recycling, garbage and food/yard waste (if applicable). **Your collection frequency will remain the same.**

Effective the week of October 15th, your next service day will be on **OCTOBER 16TH**. During this transition, any garbage up to the equivalent of a 96-gallon cart, recycling or food/yard waste that accumulates between your old service day and your new service day may be placed next to your carts for no additional charge.

This change will not impact your billing. We apologize for any inconvenience this change may cause you.

We appreciate your business and look forward to continuing to provide you efficient collection services. If you have questions, or would like more information, call us at 1-800-592-9995.

Sincerely,

Your Waste Management Team
